## Take the Challenge!

Ever thought about taking a Mission Trip? Now is the time! Join our team as we travel to Romania to assist in ministry to Gypsies at two MANNA Nutrition centers.

These Nutrition centers provide food, love, hope and the Gospel to needy children and their families.

Use your talents and passion for God to be a blessing to others as you represent Christ to the lost and hurting. Take advantage of this opportunity to show compassion to the lonely and forgotten, some of the "least of these" that are dear to God!

On this trip we will experience two cultures- Gypsy and Hungarian. Worshipping with Gypsy believers will challenge and lift your faith.

## MISSION OBJECTIVES

We will minister in two villages, Tinca and Tasad, within the Gypsy communities. There will be opportunity to assist with the construction of new church/feeding center facility, interact with the children through VBS, and conduct medical clinics.

We need teachers, craft and game leaders to minister to the children by teaching them God's Word. We need doctors, nurses and those with medical training to help with medical clinics.

We will visit two Manna nutrition Centers to see how meeting physical needs has provided opportunities for many to come to Christ.

We'll also join in worship with two Gypsy congregations, including one that meets outdoors.

## FUN STUFF

Meet new people, experience a different culture, make new friends. We will end our trip with 1 day and 2 nights in Budapest, Hungary for a spectacular sight-seeing adventure!

## TRIP COST

\$2375 includes round-trip airfare, ground transportation, lodging & breakfast. Allow \$20-\$25 per day for lunch and dinner. Travel insurance through World Nomads is required and may be purchased through the MANNA website.
